

# ADD THE FINANCE SERVICES MOBILE ICON

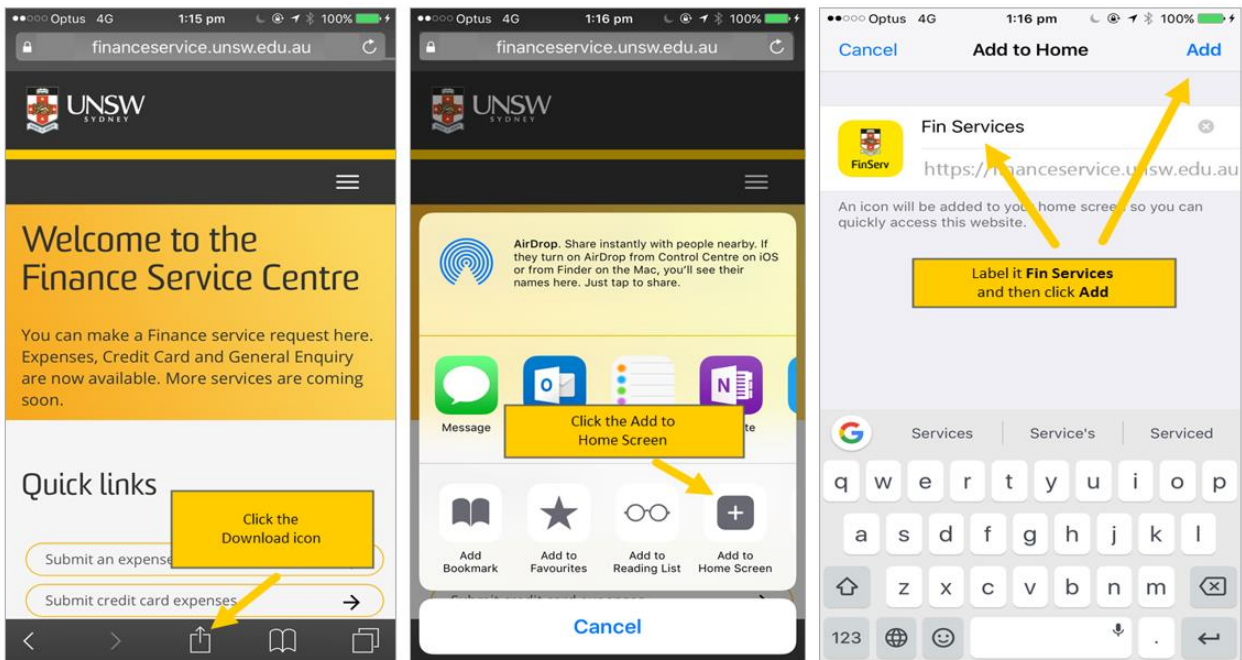

## QUICK REFERENCE GUIDE

Please note this guide shows instructions for IOS as well as Android devices.

### IOS Device

Please note these instructions use **Safari** on your IOS device, if you use **Google Chrome** as your browser you cannot add the icon to your Home Screen as it does not offer this functionality. If you wish you can add the site to your Bookmarks in Google Chrome however we recommend you use Safari to add the icon and then continue using Chrome as you normally would.

Open your device browser and go to [financeservice.unsw.edu.au](https://financeservice.unsw.edu.au):

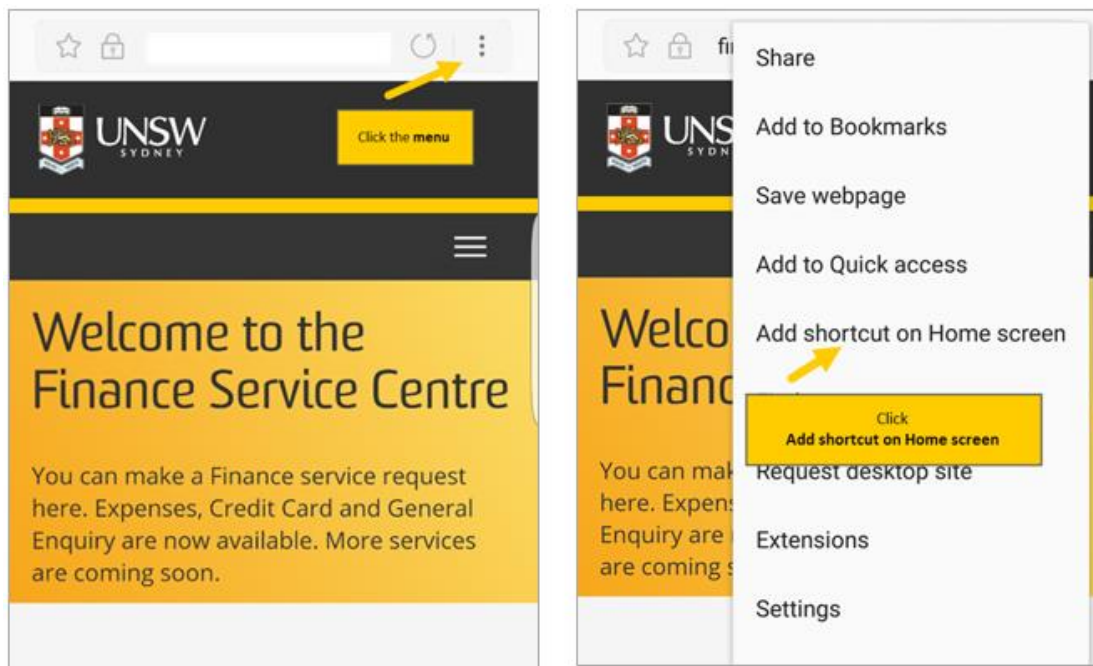

You will now have an icon on your device to Finance Services on your iPhone:

## Android Device

Open your device browser and go to [financeservice.unsw.edu.au](https://financeservice.unsw.edu.au):

You will now have an icon on your device to Finance Services on your Android:
